

Four disclosures at **Gamma** that only make sense during a live bid.

A Takeover Panel extension, a buyback during an offer period, a second extension, and an institutional Form 8.3. **Each one ordinary alone; together, a process running to a clock.** On 1 September Epiris agreed a £1.obn take-private at a 53% premium.

A procedural notice about a mid-cap telecoms provider. Read as administration, it looks like nothing at all.

02
We sequenced it
TWO EXTENSIONS, A BUYBACK, AN 8.3
Four filings held together as one situation. A company does not buy back its own shares mid-offer unless the board has a view on the price.
